Target 8105 - Three reports based on a photograph of the target.

1. DC-79, Viewer #31, session of 5 February 1981.

Viewer said the target was in the Eastern part of the U.S. Later, he suggested Atlanta, Georgia (on 5 February).

Viewer said the target would be walking on a street on 19 February, which he believed to be New York City. He believed the target would be on 5th Avenue, perhaps in the 80's, near Central Park. He also saw the viewer on what he thought might be Park Avenue, near the U.N. building.

The viewer thought the target's name was Yuriy VASILYEV.

2. Viewer #08, session of 12 February 1981.

Viewer saw the target in Europe on 12 February, in Bonn or Berlin or Hamburg or Bladensburg.

Viewer said target's first name was Glauter or Lauter and his last name was Otenburg or Rotenburg.

Viewer #08 of 19 February 1981.

Viewer placed the target on 19 February in a city in Italy, France or an East European city. Viewer said he worked in an agency dealing in boat travel.
